### **Would you like to join our research?**

When you start working at IBN, we will ask you to fill in a short questionnaire a few times.

This will be no more than 5 times in 2 years.

The questionnaires help us understand what working at IBN means for you.

### **Why do we do this?**

Your opinion is important! We use the results to show what work can mean. For you and for other people who are looking for a job.

### **How does it work?**

- After your first meeting (intake), you are signed up for the research.
- You will get an email from **NOA Service** (noreply@noa-online.net).
- This email has a **personal code**. You need this code to fill in the questionnaire.
- Filling it in takes only a few minutes.
- Did not get the email? **Check your spam folder!**

### **Good to know:**

- Your answers are **private**. No one can see what you write.
- Do you have questions? Ask your case manager.
